- Teams of 4 players (3 + 1 substitute per team)
- 15 second shot-clock
- 1st team to reach 21 points or best after 12 minutes wins
- 12 min game time: clock will run, only stopping for timeouts and official stoppage.
- Overtime: if score is tied after regulation game time an additional 2 mins will be added to game.
- Double elimination: if your team loses twice, your team is eliminated
- Baskets scored inside of the arc count as 1pt
- Baskets scored outside of the arc count as 2pts.
- Subs can enter the game on any dead ball situation. (Timeouts and official stoppage.)
- Ball must be cleared above the arc on defensive rebounds.
- The game will be played non-stop meaning: Once the ball is in play, regardless of a make or miss the opposing team will clear the ball and continue play. If the offensive team rebounds their own missed shot they DON'T have to clear the ball and can immediately try to score again. The only time the ball will be checked up or spot placed is on official stoppage and timeouts. Any clarifications of rules will be addressed before the 1st game.
