Youth are expected to:

- Use appropriate language at all times
- Cooperate and follow directions given by staff

- Maintain a positive attitude
- Attend program as scheduled

Behavior that will not be tolerated:

Should a child refuse to follow these rules, the following will occur:

1. The first time your child needs to be spoken to for not following the above established behavior guidelines, the staff will issue a verbal warning to the child.
2. The second time, your child will be asked to take a "time out" where the child relaxes away from the group activity.
3. The third infraction will result in the staff calling the parent about the day's behavior. At that time a behavioral management plan will be established.

Should a child refuse to follow the rules on a daily and continual basis, the following three strike policy will occur:

Strike 1: Verbal Warning to child that the strike three policy has begun
Parent phone call
Written incident report completed

Strike 2: Verbal indication to the child that they have one more chance to follow the code of conduct or suspension will occur
